PREFACE

The publication of this issue of the *Southwestern Economic Review (SER)* was made possible by the support and efforts of a number of dedicated people. First, the faculty and staff of the College of Business at West Texas A&M University, provided much needed support, which ensured the success of this endeavor. Second, the reviewers of the manuscripts submitted to the *Southwestern Economic Review* provided much needed expertise in helping to decide which papers to accept for publication. Third, Tami Freeman of Arkansas State University magically turned the accepted papers into final publishable form. Finally, a special appreciation goes to Ed McNertney for his many years of dedicated service as editor of the *Southwestern Economic Review*. The editor is grateful for all of this help and hopes this issue of the *Southwestern Economic Review* will promote and advance our organization, the Southwestern Society of Economists, to new educational and professional horizons.

The Southwestern Society of Economists is affiliated with the Federation of Business Disciplines. The annual membership fee of the Society is \$45 and includes a subscription to the *Southwestern Economic Review*.

The website for the *Southwestern Economic Review* is <http://swer.wtamu.edu>. It contains past issues and manuscript guidelines.

Once again, many thanks to those who helped bring this publication to fruition.
