Southwestern Economic Review: Research Notes

The Southwestern Society of Economists announces the establishment of *Southwestern Economic Review: Research Notes*. We hope to use this new mechanism to share research that is not yet ready for publication as a formal paper but is of timely interest to readers. *Southwestern Economic Review: Research Notes* will be an on-line publication at the web site www.ser.tcu.edu. Submissions will be reviewed by members of the Editorial Board of the *Southwestern Economic Review*, who will then recommend to the Editor whether or not publication is warranted.

Please submit your Research Note in a Word document to the e-mail address listed. The total length of text must not exceed 800 words and the title should not exceed 10 words. Numbers may be included, but do not include equations, diagrams, or footnotes. References to previously published works should appear in parentheses within the body of the text and should include the name of the author(s), name of the journal or book, and year of publication.

Members of the Southwestern Society of Economists who presented papers at the Annual Meeting in Houston in March 2008 are especially encouraged to submit a Research Note based on the paper presented. If accepted, it will be noted in the publication that the Research Note is based on a paper presented at the meetings.

Submissions should be sent electronically in a WordPerfect or Word file to e.mcnertney@tcu.edu. There is a \$10 submission fee for all research notes submitted by members and a \$20 fee for non-members. IN ADDITION, if the paper is accepted for publication, there will be an additional publication fee of \$30 for members and \$65 for non-members. A check for the submission fee should be sent to the address below.
